CONSENT

As part of the application process you may ask PEP to assist you in obtaining hazard insurance on the collateral being financed. By making this request, you are also providing your consent to PEP to provide to a non-affiliated insurance company (for example, The Phoenix Group), certain private and confidential information about you so that the insurance company may provide you with an offer for hazard insurance. The information being provided will be limited to only that information needed for insurance purposes. You are not compelled to buy insurance from The Phoenix Group and may purchase the necessary coverage through any company of your choosing. If you decide to provide your consent and later elect to withdraw that consent, please contact the PEP Underwriting Department at (708) 478-5251.
